* Please note that as of September 2012, the Fund transitioned into a portfolio of core holdings across major asset classes. The Fund's investment strategy prior to the transition is reflected in the performance data.

The chart shows the Fund's asset allocation on a "look through" basis. In other words, it includes the asset allocations of the Fund's underlying investments. For example, the Mosaic Assertive Fund invests in the Mosaic Strategic International Equity Trust. The cash held by the Mosaic Strategic International Equity Trust is taken into account in determining the Mosaic Assertive Fund's total allocation to cash. Portfolio holding and asset allocation data may not add to 100% due to rounding.

Important Information: This report is provided for investors in the Funds. While all care has been taken in the preparation of this report (using sources believed to be reliable and accurate), Mosaic Portfolio Advisers Limited ABN 13 108 747 637 AFSL 275 101, its officers, employees, agents and associated entities accept no responsibility for and will not be liable in respect of any loss or damage suffered by any person in connection with this other than under law which cannot be excluded. You should seek your own financial and taxation advice before dealing with your investment. This report has been prepared without taking into account your investment objectives, financial situation or particular needs. Before investing, or retaining an investment, in any of the Funds you should read the relevant PDS and consider whether the Fund is appropriate having regard to those matters.
