Asset Allocation

Portfolio Date: 31/07/2017

The chart shows the Fund's asset allocation on a "look through" basis. In other words, it includes the asset allocations of the Fund's underlying investments. For example, the Mosaic Assertive Fund invests in the Mosaic Strategic International Equity Trust. The cash held by the Mosaic Strategic International Equity Trust is taken into account in determining the Mosaic Assertive Fund's total allocation to cash. Portfolio holding and asset allocation data may not add to 100% due to rounding.

* Please note that as of September 2012, the Fund transitioned into a portfolio of core holdings across major asset classes. The Fund's investment strategy prior to the transition is reflected in the performance data.

** Portfolio Holdings are based on the weightings for the underlying Portfolio constituents.
